WHO WE ARE

Prime-Line Products has been supplying repair and replacement parts for windows and doors since 1978. Over 40 years of business acumen has led Prime-Line to the top of its trade. The worldwide need for residential maintenance has motivated our company to develop thousands of unique items for our customers. We service the professional trades with repair solutions throughout North America and abroad.

We also provide products to the Do-It-Yourself industry through home centers, hardware stores and lumber yards, with a wide variety of specialized repair parts that fit various individual and regional demands. We currently supply many manufacturers with OEM components that are in wide demand.

OUR VALUE PROPOSITION

- Extensive product assortment
- Competitive wholesale pricing
- Largest selection of current and hard-to-find hardware
- In stock, ready to ship inventory
- Nationwide coverage
- Outstanding customer service
- Personalized account management
- State of the art ordering systems

CUSTOMER SERVICE

Prime-Line's in-house expert Customer Service team is here to help you every step of the way. Available from 6 A.M. to 5 P.M. PST every weekday, you'll get all the answers you need along with a smooth order experience.

Just call 1-800-255-3505 or email customerservice@primeline.net and we'll be happy to help!

Screwdriver Set

Qty: 6 pieces.

- Used to drive or remove slotted and Phillips head screws
- Chrome-vanadium blade
- Black magnetic tip
- Ergonomic comfort grip handle
- Sizes: **Slotted:** 5/32 in. x 4 in., 3/16 in. x 4 in., 3/16 in. x 6 in., 1/4 in. x 6 in.; **Phillips:** PH1 x 4 in., PH2 x 6 in.

W000800

Insulated Screwdriver Set

Qty: 4 pieces.

- Used on electrical jobs to help reduce the possibility of shock
- Chrome-vanadium steel blade
- Black magnetic tip
- Premium acetate handle with anti-slip grip
- Sizes: **Slotted:** SL5 x 4 in., SL6 x 6 in.; **Phillips:** PH1 x 4 in., PH2 x 6 in.

W004140

Ratcheting Screwdriver Set

Qty: 18 pieces.

- Use ratcheting driver and provided tips with slotted, Phillips or Torx screw fasteners
- 16 Piece chrome-vanadium steel screwdriver bits
- 1 Precision ratcheting screwdriver handle
- 1 Extension bar for hard to reach areas
- Sizes: **Phillips:** PH00 x2, PH0 x2, PH1, PH2; **Slotted:** 2.5 mm, 3 mm, 2 mm; **Torx:** T5, T6, T7, T8, T9, T10, T15

W021181

Magnetic Bit Screwdriver Holder

Qty: 1

- For use with most all steel bits to drive screws and some socket drivers
- Ergonomic comfort grip handle
- Strong magnetic bit holder provides for simple installation and removal of bits

W021056

Dual Drive Precision Ratchet Screwdriver

Qty: 12 pieces.

- 11 Piece chrome-vanadium bits
- 2x Faster than standard ratcheting
- Ergonomic handle with slip-resistant rubber grip
- Convenient thumb switch reverse gear drive
- Sizes: **Slotted:** 1.5 mm, 2 mm, 2.5 mm, 3 mm; **Phillips:** PH000, PH00 x2, PH0, PH1; **Torx:** T5, T6

Dual Drive Ratcheting Wrench Set (3/8 in. Drive)

Qty: 32 pieces.

- 10 Piece 3/8 in. drive sockets (**SAE**): 5/16 in., 3/8 in., 7/16 in., 1/2 in., 9/16 in., 5/8 in., 11/16 in., 3/4 in., 13/16 in., and 7/8 in.
- 11 Piece 3/8 in. drive sockets (**metric**): 9 mm, 10 mm, 11 mm, 12 mm, 13 mm, 14 mm, 15 mm, 16 mm, 17 mm, 18 mm, and 19 mm
- 7 Piece chrome-vanadium combination wrenches (**SAE**): 3/8 in., 7/16 in., 1/2 in., 9/16 in., 5/8 in., 11/16 in., and 3/4 in.
- Chrome-vanadium socket set
- 3 in. Extension bar
- 2 Spark plug sockets: 13/16 in., 5/8 in.
- 3/8 in. Drive ratchet handle
- 1 Durable blow molded case

W003001

Drive Socket Set (1/2 in. Drive)

Qty: 12 pieces.

- Used by home-owners, do-it-yourselfers and professionals alike
- 1/2 in. Drive ratchet handle
- 1/2 in. Drive 5 in. extension bar
- 10 Piece 1/2 in. drive sockets (**metric**): 10 mm, 11 mm, 12 mm, 13 mm, 14 mm, 15 mm, 17 mm, 19 mm, 21 mm and 22 mm
- Chrome-vanadium steel

W003024

Extension Bar Set (3/8 in. Drive)

Qty: 4 pieces.

- Used with 3/8 in. drive socket sets for long reach areas
- 1-1/2 in., 3 in., 6 in., and 10 in. Extension bars
- Constructed from heat-treated, chrome-vanadium steel
- Chrome plated

W074459

Universal Joint Set

Qty: 3 pieces.

- Used with a socket set to access hard to reach areas
- 1/4 in., 3/8 in. and 1/2 in. Drives included to complete your socket sets
- Constructed from heat-treated, chrome-vanadium steel
- Chrome plated

W074458

Folding Hex Key Set (SAE)

Qty: 9 hex keys.

- Used to tighten or loosen hex drive fasteners in the home, garage, office, outdoors, work and play equipment, etc.
- The ergonomic comfort-grip handle design allows for a firm hold and increased torque
- Hex key sizes (**SAE**): 5/64 in., 3/32 in., 7/64 in., 1/8 in., 9/64 in., 5/32 in., 3/16 in., 7/32 in. and 1/4 in.
- The hex keys are constructed of hardened and tempered chrome-vanadium steel
- This tool set comes in a handy folding design for easy storage and compact carrying

W022005

Folding Hex Key Set (Metric)

Qty: 8 hex keys.

- Used to tighten or loosen hex drive fasteners in the home, garage, office, outdoors, work and play equipment, etc.
- The ergonomic comfort-grip handle design allows for a firm hold and increased torque
- Hex key sizes (**metric**): 1.5 mm, 2 mm, 2.5 mm, 3 mm, 4 mm, 5 mm, 6 mm and 8 mm
- The hex keys are constructed of hardened and tempered chrome-vanadium steel
- This tool set comes in a handy folding design for easy storage and compact carrying

W022002

Folding Torx Key Set

Qty: 8 torx keys.

- Used to tighten or loosen Torx drive fasteners in the home, garage, office, outdoors, work and play equipment, etc.
- The ergonomic comfort-grip handle design allows for a firm hold and increased torque
- Sizes: T9, T10, T15, T20, T25, T27, T30 and T40
- The Torx keys are constructed of hardened and tempered chrome-vanadium steel
- This tool set comes in a handy folding design for easy storage and compact carrying

W022003

Tool Set

Qty: 6 pieces.

- This tool set is used by both professionals and home owners on a variety of projects
- Contains: 8 in. long nose pliers, 7 in. diagonal pliers, 8 in. slip joint pliers, 8 in. linesman pliers, 10 in. groove joint pliers and 8 in. wrench
- Drop forged carbon steel with Ni-Fe coating for durability
- Bi-material comfort grip handle

W001314

Tool Set

Qty: 6 pieces.

- Used by home-owners and do-it-yourselfers
- Ideal for everyday use in and around your home
- Contains: 16 ft. tape measure, 6-in-1 screwdriver, 10 in. adjustable wrench, 9 in. torpedo level, 7 in. linesman pliers, 16 oz. fiberglass hammer
- Drop forged carbon steel with Ni-Fe coating for durability
- Bi-material comfort grip handle

W009033

Plier Set (6 in.)

Qty: 3 pieces.

- This tool set is used by both electricians and do-it-yourselfers for light electrical work
- Contains: 6 in. long nose pliers, 6 in. slip joint pliers, 6 in. linesman pliers with wire-cutting shear
- Drop forged carbon steel with Ni-Fe coating for durability
- Bi-material comfort grip handle

W001312

All Purpose Linesman Pliers (8 in.)

Qty: 1

- Multi-purpose built lets you complete more tasks with one tool
- High leverage design
- Cut and strip wire and cables from 10 AWG to 16 AWG
- Cut #6 and #8 bolts and tie wire quickly and easily
- Bi-material comfort grip handle

W031139

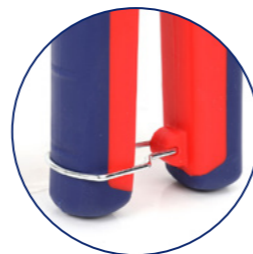

Chain Clamp Locking Pliers (19 in.)

Qty: 1

- Easy lock and release action
- Guarded release helps keep work fast and safe
- Includes turn screw to adjust holding pressure of bundle material
- Chrome-vanadium steel jaw for maximum toughness and durability

W031076

Revolving Punch Pliers (Portable)

Qty: 1

- Used to punch precise holes into leather
- Extra large punch plate
- Multi-functional 6 round hole sizes: 2 mm, 2.5 mm, 3 mm, 3.5 mm, 4 mm and 4.5 mm
- Can be used for different requirements on making eyelets in leather, belt, watch band, cloth, shoes, handbags, gaskets, cardboard, plastic, pet collar, ID card, cloth etc.
- Safety lock for convenient storage
- Constructed from drop-forged, carbon steel with comfort grip handle

W031300

Pliers

2-in-1 Flip Pliers

Qty: 1

- 2-in-1 8 in. Design with one slip joint pair of pliers and one long nose pair of pliers
- Swing the handle for easy interchange between long nose pliers and solid joint pliers
- Spring-loaded jaws for easy use and greater efficiency
- Ergonomic handles for comfort and excellent performance
- Heat treated for longer life

W031113

10-in-1 Multi-Function Pliers

Qty: 1

- Two built-in LED lights on the handle
- Compact folding design for convenient storage and transportation
- Security features found in this multi-function plier set include safety latches, a carabiner clip, two LED lights, protective housing, and spring-loaded pliers and scissors
- Steel body with stainless steel blades and tools

W014009

Hammer Loop

Qty: 1

- Used on belts to secure your hammer
- Black nickel-plated metal loop for durability
- With magnetic stripe
- 5 in. x 8 in.
- 600D Polyester construction

W081017

Machinist's Hammer

Qty: 1

- Ideal for metal fabrication, chiseling, rivet work and much more
- Drop-forged carbon steel construction
- Fully heat treated & polished head
- Dual head design, square and angled head
- 300 g
- High grade wood handle comes in a natural color with smooth finish

W041017

Dead Blow Hammer

Qty: 1

- Used by woodworkers and for dislodging small parts, installing or removing knock-off hubs, and for popping out small dents
- Used to apply a dead blow and positive force with minimal rebound and minimal damage to the struck surface
- Features include non-sparking, non-marring, minimal rebound and increased positive force
- Constructed of molded PVC case over an inner steel frame and steel shot blast

W041050 (1.5 lbs.)

W041051 (2.5 lbs.)

Utility Knife Blades

Qty: 10 blades.

- Fits most standard utility knives
- Blades feature dual notches at top edge for securing blades into tools
- Regular duty utility blade for light sheet materials, paper and cardboard
- Razor-sharp, tempered SK5 blades

W013003

Quick Change Retractable Utility Knife with Blades

Qty: 1 knife, 10 blades.

- Used by homeowners and professionals alike; for opening boxes, cutting twine, stripping plastic off insulated wires, and more
- The quick-change blade mechanism allows the user to swiftly rotate the blade without the need of any screwdrivers, like are necessary with other models
- Durable zinc alloy housing is built to withstand damage from other heavier hand-held tools stored in the same toolbox
- Multi-position retractable blade settings works to accommodate blade cutting depth for a variety of tasks
- Razor-sharp, tempered SK5 blades

W013029

Scraper (Retractable)

Qty: 1

- Great for scraping in hard-to-reach places
- 4-Position settings for distance control of projecting blades allows the user to best match the tool to the task at hand
- Fully retractable blade to provide user with a safe and convenient storage; includes a hole for hanging on a hook, string, cable or chain
- Equipped with a standard single edge razor blade, with a lightweight and economical plastic razor blade to accommodate tool for light to heavy scraping
- Tool housing constructed of durable plastic components

W018003

Mini Scraper (Non-retractable)

Qty: 1

- Great for scraping in hard-to-reach places
- Single, fixed position allows for fast and easy blade refill and use
- Fully reversible blade to provide user with safe and convenient storage
- Equipped with a standard single edge razor blade, but also fits lightweight and economical plastic razor blades to accommodate tool for light to heavy scraping
- Tool housing constructed of durable plastic components

W018004

Scissor Set

Qty: 4 pieces.

- These multi-purpose cutting scissors are used for a variety of tasks around the home, in the office, arts and craft projects, in the kitchen and more
- This 4 pack set includes one large pair of household scissors, two classic 8 in. pair of scissors and one smaller stationary pair of scissors
- Stainless steel blades
- Each pair of scissors features smooth molded plastic handles for optimal comfort

W000400

Multi-Purpose Tool Set

Qty: 4 pieces.

- These multi-function tool sets are used by many to cut wire, hold and turn bolts, cut paper, strip cables, open cans, open bottle caps, and several other tasks
- 15-in-1 Multi-purpose tool, mini multi-purpose tool and a folding knife
- Constructed of rust-resistant stainless steel blades for long-lasting performance
- Compact folding design
- Includes nylon pouch

W000316

Ratchet Bolt Cutter (24 in.)

Qty: 1

- 24 in. Bolt cutters cuts through bolts, chains, padlocks, threaded rods, rivets, wires and many other metals up to 40HRC
- Long handles provide high leverage, reducing pressure on hand while using
- 50% Less force required to cut than traditional cutters
- Ratcheting mechanism minimize hand fatigue
- Heavy-duty design
- Induction-hardened chrome molybdenum steel jaws for durability and hardness
- Ergonomic bi-material grip for greater control and comfort

W017014

10 Watt Hot Glue Gun

Qty: 1 glue gun, 2 glue sticks.

- Ideal for bonding heat-sensitive parts such as fabrics, foam materials, and plastics without causing heat damage. Will also bond cardboard, ceramics, leather, light metals, wood and a variety of other materials.
- Ergonomic design ensures comfortable gluing with less hand fatigue
- Flip-down metal stand when not in use
- Uses trigger-fed mini glue sticks (0.27 in. or 7 mm)
- Comes with a 60 in. cord attached

W125097WE

20 Watt Hot Glue Gun

Qty: 1 glue gun, 2 glue sticks.

- Ideal for bonding heat-sensitive parts such as fabrics, foam materials, and plastics without causing heat damage. Will also bond cardboard, ceramics, leather, light metals, wood and a variety of other materials.
- Ergonomic design ensures comfortable gluing with less hand fatigue
- Flip-down stand when not in use
- Uses trigger-fed mini glue sticks (0.27 in. or 7 mm)
- Comes with a 60 in. cord attached

W125100WE

40 Watt Hot Glue Gun

Qty: 1 glue gun, 2 glue sticks.

- Ideal for metals, plastics, wood, leather, ceramic and more
- Ergonomic design ensures comfortable gluing with less hand fatigue
- Flip-down metal stand when not in use
- Uses trigger-fed mini glue sticks (0.44 in. or 11 mm)
- Comes with a 60 in. cord attached

W125099WE

40 Watt, High Temperature Hot Glue Gun

Qty: 1 glue gun, 2 glue sticks.

- High temperature bonding is ideal for metals, plastics, wood, leather, ceramic and more
- Advanced safety features such as an insulated nozzle, safety fuse and built-in side lifts
- Ergonomic design ensures comfortable gluing with less hand fatigue
- Flip-down stand when not in use
- Uses trigger-fed mini glue sticks (0.44 in. or 11 mm)
- Comes with a 60 in. cord attached

W125098WE

0.27 in. Diameter

0.43 in. Diameter

Hot Glue Gun Sticks

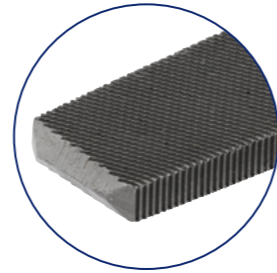

- For use with a variety of projects
- Durable and strong-bonding glue with some flexibility
- Sticks measure 4 in. long, with either a 0.27 in. or 0.43 in. diameter
- Available in either clear or black

W133359 (Clear, mini 0.27 in. diameter – Qty. 100)

W133361 (Black, mini 0.27 in. diameter – Qty. 100)

W133360 (Clear, 0.43 in. diameter – Qty. 50)

W133362 (Black, 0.43 in. diameter – Qty. 50)

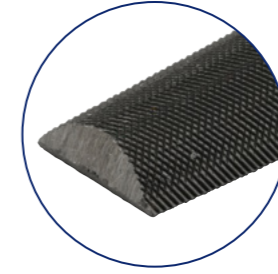

Flat File

Qty: 1

- Used to easily put an edge or a groove on your projects of wood, metal and plastic
- Also used to deburr a variety of metal surfaces in hard to reach areas
- Can be used in both wet and dry situations
- Coated double cut teeth for durability and to protect against rust
- Constructed of high carbon hardened steel with an ergonomic anti-slip grip that offers excellent control while filing

W051001 (8 in.)

W051002 (10 in.)

Half Round File

Qty: 1

- For use on concave, convex and flat surface areas
- Used to easily put an edge or a groove on your projects of wood, metal and plastic
- Also used to deburr a variety of metal surfaces in hard to reach areas
- Can be used in both wet and dry situations
- Coated double cut teeth for durability and to protect against rust
- Constructed of high carbon hardened steel with an ergonomic anti-slip grip that offers excellent control while filing

W051003 (8 in.)

W051004 (10 in.)

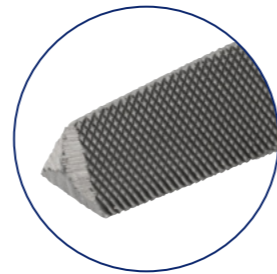

Round File

Qty: 1

- Use for forming and shaping holes and curves
- Can be used in both wet and dry situations
- Coated double cut teeth for durability and to protect against rust
- Constructed of high carbon hardened steel with an ergonomic anti-slip grip that offers excellent control while filing

W051005 (8 in.)

W051006 (10 in.)

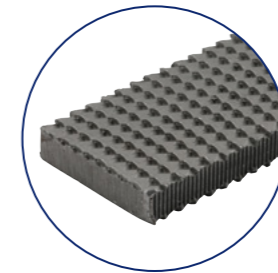

Triangular File

Qty: 1

- Use this triangle shaped file for straight edges or making "v" grooves
- Can be used in both wet and dry situations
- Coated double cut teeth for durability and to protect against rust
- Constructed of high carbon hardened steel with an ergonomic anti-slip grip that offers excellent control while filing

W051007 (8 in.)

W051008 (10 in.)

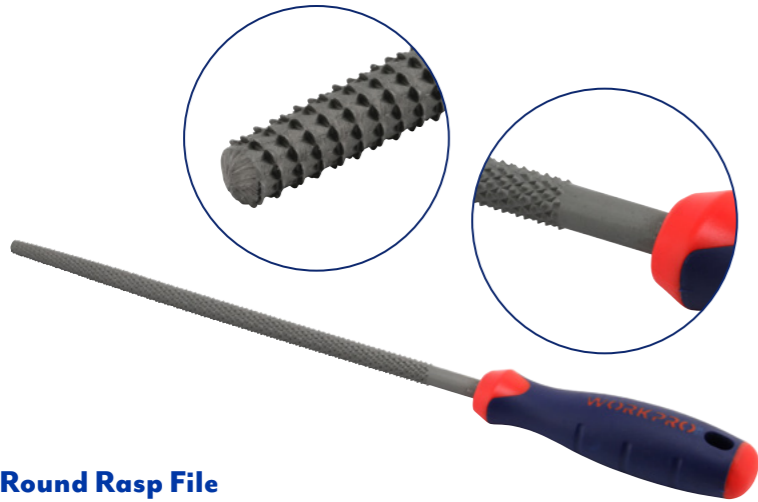

Flat Rasp File

Qty: 1

- Used to easily put an edge or a groove on your projects of wood, metal and plastic
- Can be used in both wet and dry situations
- Coated double cut teeth that offers double cut and single cut on either side
- Aggressive teeth remove wood fast for any wood shaping need
- Constructed of high carbon hardened steel with an ergonomic anti-slip grip that offers excellent control while filing

W051009 (8 in.)

W051010 (10 in.)

Round Rasp File

Qty: 1

- Used to easily put an edge or a groove on your projects of wood, metal and plastic
- Can be used in both wet and dry situations
- Coated double cut teeth that offers double cut and single cut on either side
- Aggressive teeth remove wood fast for any wood shaping need
- Constructed of high carbon hardened steel with an ergonomic anti-slip grip that offers excellent control while filing

W051011 (8 in.)

W051012 (10 in.)

File Set

Qty: 6 pieces.

- Used to easily put an edge or a groove on your projects of wood, metal and plastic
- Set includes 8 in. round, 8 in. flat, 8 in. half round, 8 in. triangle file, 4 in. flat needle file and a 4 in. half round needle file
- Can be used in both wet and dry situations
- Coated double cut teeth that offers double cut and single cut on either side
- Constructed of high carbon hardened steel with an ergonomic anti-slip grip that offers excellent control while filing

W002111

Block Plane (Non-Adjustable)

Qty: 1

- Used by carpenters and woodworkers to smooth wood surfaces
- Front handle for extra control
- Hardened, tempered 1-9/16 in. width cutter for longer life
- Cast iron body for lasting strength and durability
- Machine polished to resist rusting

W052001

Block Plane (Adjustable)

Qty: 1

- Used by carpenters and woodworkers to smooth wood surfaces
- Low angle blade for precision work
- Front handle for extra control
- Hardened, tempered 1-5/8 in. width cutter for longer life
- Cast iron body for lasting strength and durability
- Machine polished to resist rusting

W052002

Block Plane (Adjustable)

Qty: 1

- Used by carpenters and woodworkers to smooth wood surfaces
- Dual wood handles for precision work
- Hardened, tempered 2 in. width cutter for longer life
- Cast iron body for lasting strength and durability
- Machine polished to resist rusting

W052003

Wood Chisel

Qty: 1

- Ideal for wood carvers and woodworkers of all levels
- High visibility comfort shaped handles
- Steel caps for use with hammer or mallet
- Hardened & tempered steel blades
- Size of the blade is etched into the tang of the metal blade for easy identification
- Includes protective blade guard for storage in toolbox or handbag

W043001 (1/2 in.) **W043002** (3/4 in.) **W043003** (1 in.)

Wood Chisel

Qty: 1

- For use on soft and hard solid wood, plywood, composite and laminated wood products and material
- High visibility and comfort shaped handle
- Steel butt designed for heavy pounding with a hammer or mallet
- Drop-forged chrome-vanadium steel blade, heat-treated for edge retention
- Size of the blade is etched into the tang of the metal blade for easy identification
- Includes protective blade guard for storage in toolbox or handbag

W043004 (1/4 in.) **W043006** (3/4 in.) **W043008** (1-1/4 in.)

Spring Clamp

Qty: 1

- Used to hold 2 or more items securely together without slipping
- Non-marking PVC coated tips and handles protect delicate finish with non-slip holding power
- Point-of-pressure remains near jaw tips for positive clamping
- Zinc-plated tempered steel spring for fast, reliable opening and closing

W032005 (3/4 in. opening)

W032007 (2 in. opening)

W032006 (1 in. opening)

W032008 (3 in. opening)

Spring Clamp

Qty: 1

- Used to hold 2 or more items securely together without slipping
- The flexible pads on the heads of the clamps are designed to be soft and flexible to protect finishes and provide maximum tension
- Ergonomic handle for comfortable use
- Reinforced nylon construction for strength
- Pivoting jaw nose
- Spring-loaded clamp provides reliable opening and closing

W032009 (3/4 in. opening)

W032011 (2 in. opening)

W032010 (1 in. opening)

W032012 (3 in. opening)

Spring Clamp

Qty: 1

- Used to hold 2 or more items securely together without slipping
- 3/4 in. Opening
- Aluminum frame and body with swivel pads
- Spring-loaded clamp provide reliable opening and closing

W032013

Spring Clamp

Qty: 1

- Used to hold 2 or more items securely together without slipping
- 1-1/2 in. Opening
- Aluminum frame and body with swivel pads
- Rubberized handle for comfortable use
- Spring-loaded clamp provide reliable opening and closing

W032014

Bar Clamp

Qty: 1

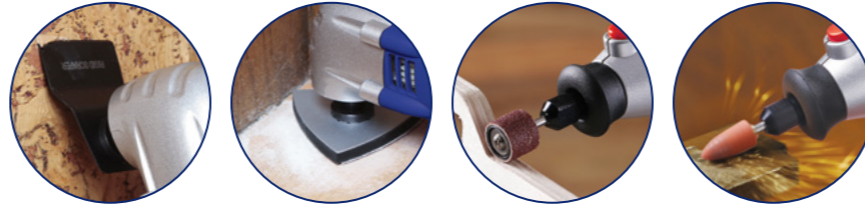

- Used to hold 2 or more items securely together without slipping
- Ergonomically shaped wood handle
- 2 Clamp pads protect work pieces from damage
- Cold-drawn steel screws enhance gripping ability
- Pressed and riveted fixed head adds clamping power

W032027 (6 in.)

W032028 (12 in.)

W032030 (24 in.)

Rotary & Oscillating Tool Combo Kit

Qty: 41 pieces.

- These electric tools are used for trimming, cutting, plunging, sanding, scraping, and much more with the use of various blades, wheels and fittings
- Includes a 16 in. long tool bag, large enough to store both tools inside and all of their easy to attach accessories
- The electric rotary tool comes with a variety of cut-off wheels, polishing wheels, grinding stones cutters and more
- The electric oscillating tool comes with a saw blade, scraper blade, sanding pads, and features a quick changing system for easier accessory changes

W004573

Oscillating Accessory Kit

Qty: 19 pieces.

- Features a variety of blades used for cutting, sanding, scraping, shaping, polishing, tile, gritting and grout removal
- Carbide-tipped metal blades
- Each attachment features a universal and quick-release mechanism, allowing for fast changing of blades and uninterrupted work
- 1 Oscillating tool blade
- (1) 1-3/8 in. Fine tooth multi-tool blade
- (1) 1-3/8 in. Bi-metal oscillating tool blade
- (1) 2-5/8 in. HCS fine tooth multi-tool blade
- (1) 3-1/2 in. HCS wide segment multi-tool blade
- (1) 2 in. Rigid oscillating tool scraper blade
- (1) 3-1/8 in. Triangle multi-tool sanding pad
- 9 Sandpaper replacement pads (60, 80 and 120 grit)

W004574

Rotary Tool Accessory Kit

Qty: 300 pieces.

- Features a wide variety of rotary tool accessories for cutting, grinding, sanding, sharpening, polishing, engraving, drilling and cleaning
- With a 1/8 in. shank diameter, these universal fitting tools can be used with all major brand rotary tools, and they are suitable for most ferrous and non-ferrous metals, castings, welded joints and much more
- Portable carry case
- 10 Sanding bands
- 3 Collets
- 3 Sanding shanks
- 1 Spanner
- 10 Grinding wheels with shank
- 2 Hss cutters
- 6 Hss twist drills
- 6 Brushes
- 6 Diamond bits
- 2 Mandrels for cut off wheels
- 1 Mandrel for felt wheels
- Grinding wheels

W004575

Electrician Pouch

Qty: 1

- 600D Polyester
- Various sized pockets for tools
- Durable, easy-to-carry
- Easy-to-access chain for hanging multiple rolls of electrical tape
- Durable stainless steel clip for quick and easy hanging of measuring tapes
- Size: 11-3/8 in. x 10-5/8 in.

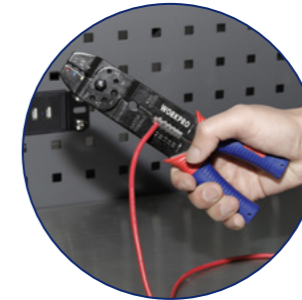

W081015

Multi-Purpose Wiring Tool

Qty: 1

- Cuts & threads popular bolt sizes
- Strips 10 AWG - 20 AWG wire
- Crimps insulated and non-insulated terminals
- Precision ground stripping, wire looping and bending holes
- Ergonomic molded anti-slip grip handle

W091002

Wire Stripper and Cutter

Qty: 1

- Cuts and threads popular bolt sizes
- Strips 10 AWG - 20 AWG wire
- Precision ground stripping, wire looping and bending holes
- Strong gripping serrated nose
- Curved handles help you reach into confined areas
- Non-slip cushion-grip handle

W091005

Long Nose Multi-Purpose Wiring Tool

Qty: 1

- Cuts and threads popular bolts sizes
- Strips 10 AWG - 22 AWG wire
- Crimps insulated and non-insulated terminals
- Precision ground stripping, wire looping and bending holes
- Long nose to help you reach into confined areas
- Non-slip cushion-grip handle

W091018

6-Wheel Plastic Creeper (36 in.)

Qty: 1

- Used to gain access to the underside of a vehicle to perform maintenance or inspection
- Heavy-duty one-piece, low-profile design
- Padded head rest and body-fitting design allows for optimum comfort while in use
- Plastic body is oil and solvent resistant and easy to clean
- Six ball-bearing nylon castors for smooth maneuverability

W111001

Multifunction Foldable Rail Creeper (36 in.)

Qty: 1

- Steel frame with black powder coated finish
- Padded seat, head and backrest provides maximum comfort
- Easily converts into a roller seat stool
- Six ball-bearing nylon castors for smooth maneuverability
- Max. load capacity: 242 lbs.

W111005

Hydraulic Stool (Adjustable)

Qty: 1

- Used on low-to-ground projects in lieu of kneeling, squatting or bending
- Padded height adjustable seat
- Heavy-duty construction for long-lasting use
- Compressed height: 16-1/2 in.
- Extended height: 21-1/4 in.
- 2-1/2 in. Swivel castors

W112002

Garage Shop Stool

Qty: 1

- Used as garage and workshop stools, at wet bars and other bench settings
- Padded vinyl seat provide durability and comfort
- Seat cushion swivels 360° on steel ball-bearings for smooth operation
- Four sturdy and stable legs have protective anti-slip floor caps

W112003

Heavy Duty Roller Seat Stool with Tray and Tool Holder

Qty: 1

- Used on low-to-ground projects in lieu of kneeling, squatting or bending
- Removable padded vinyl seat provide durability and comfort
- Features 4 mm. x 65 mm. swivel castors
- Heavy-duty construction for long-lasting use

W112014

4 Claw Pick Up Tool

Qty: 1

- Used to retrieve small items that have fallen into tight, hard to reach spaces
- Flexible 18 in. shaft with claw style pick-up tool for difficult angle retrieval
- Four prong claws for secure grasp and easy pick-up with spring-loaded action
- Steel constructed components with zinc-plated finish

W113001

Telescoping Inspection Mirror (28 in.)

Qty: 1

- Used to view difficult areas outside of a direct line of sight
- 2 in. Round mirror
- Stainless steel antenna
- Multi-angle ball joint neck
- Extends up to 28 in.

W113006

Magnetic Pick Up Tool (Flexible)

Qty: 1

- Used to retrieve metal items that have fallen into hard to reach spaces
- Powerful magnet is able to lift small hand tools, nuts, bolts, washers, and more
- 18 in. Flexible shaft holds any angle

W113002

Magnetic Pick Up Tool (2 lbs.)

Qty: 1

- Used to retrieve metal items that have fallen into hard to reach spaces
- Stainless steel antenna extends up to 25-1/2 in.
- Multi-angle ball joint neck
- Powerful magnet can hold up to 2 lbs.

W113004

Magnetic Parts Tray (Round)

Qty: 1

- Used for temporary storage of nuts, bolts, small tools and other items
- 6 in. O.D.
- Stainless steel
- Powerful magnet

W114004

Magnetic Parts Tray (Rectangle)

Qty: 1

- Used for temporary storage of nuts, bolts, small tools and other items
- 9-7/16 in. x 5-1/2 in.
- Stainless steel
- Powerful magnet

W114005

Wood Work Bench

Qty: 1

- Solid plywood work surface with protective coating for heavy-duty projects
- Heavy-duty steel frame supports up to maximum safe load of 600 lbs.
- 72 in. x 30 in. Workbench to help provide room for large projects or tools
- 38-1/2 in. Table height.
- Assembly required, instructions included, for indoor use only
- Drawers can be purchased separately for extra storage

W082051

8-n-1 Digital Tire Gauge

Qty: 1

- Multi-use tool to keep in all your family's vehicles – for emergencies and maintenance use
- Equipped with a lanyard and a magnet for easy hanging
- Features that can be used for safety and preventative maintenance include: tire pressure gauge, LED flashlight, tire tread depth meter and tire pressure release tool
- Features that can be used in the event of an accident or emergency include LED flashlight, glass breaker, flashing emergency light and the seat belt cutter
- 2 AAA batteries (not included)

W114017

Swivel Oil Filter Wrench

Qty: 1

- Used to remove engine oil filters
- 1 in. Wide steel band
- Dimples in the band bite into the filter for safe and easy non-slip removal
- Great for both the do-it-yourselfer and the professional
- Comfortable vinyl coated handle

W114018 (Fits oil filter diameters of 2-3/4 in. to 3-1/4 in.)

W114019 (Fits oil filter diameters of 3-7/16 in. to 3-3/4 in.)

W114020 (Fits oil filter diameters of 4-1/8 in. to 4-1/2 in.)

Oil Filter Pliers (Adjustable)

Qty: 1

- Used to remove small to medium size engine oil filters
- Adjustable from 2-1/2 in. to 4-1/2 in. for most filters
- Features sure grip teeth to help prevent slipping when loosening or tightening
- Comfort grip handle
- Slim design allows for use in tight, hard to reach work space

W114002

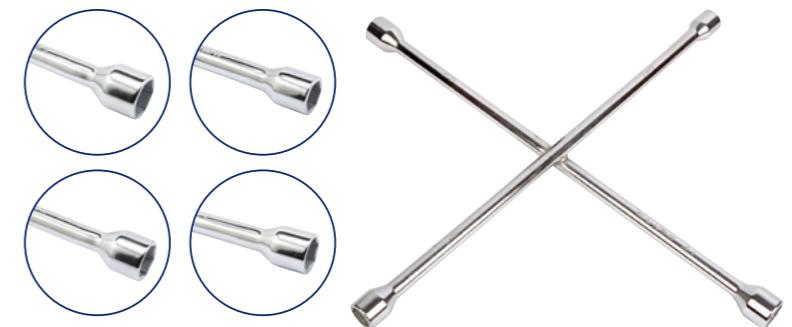

Lug Wrench and Slotted Screwdriver Combo

Qty: 1

- Lug wrench used to remove a flat tire
- Slotted screwdriver used to remove hub cap
- 4 Piece tool that is detachable for storage space
- 2 Sockets that are 2 sizes each: 11/16 in. and 3/4 in., 13/16 in. and 7/8 in.
- Soft grip, anti-slip ergonomic handle

W114107

Lug Wrench

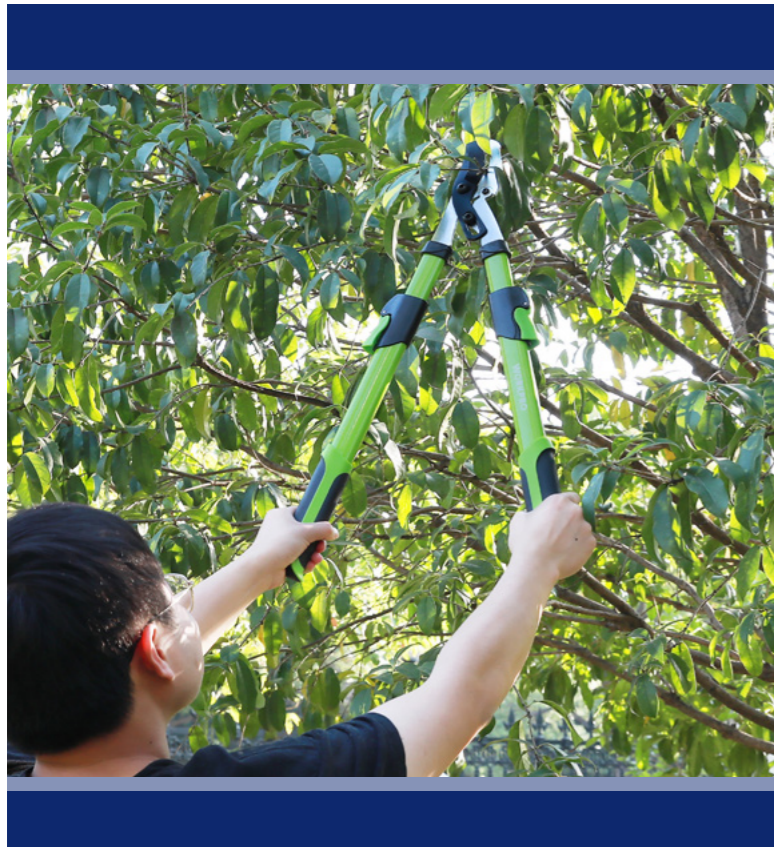

Qty: 1

- Used to loosen, remove, mount and tighten lug nuts faster and with increased torque capability
- Sizes: 11/16 in., 3/4 in., 13/16 in. and 7/8 in.
- Heat-treated, chrome-vanadium steel construction
- Consult car owner's manual for proper jack placement and instructions

W114014 (14 in.)

W114015 (16 in.)

W114016 (20 in.)

**Hand Trowel**

Qty: 1

- Ideal for digging into tough soil, breaking up hardened dirt clods, planting, transplanting, removing stubborn weeds, mixing soil and compost or scooping fertilizer
- Heavy gauge cast aluminum tool head
- Large hang hole for easy storage or to pass a lanyard through
- Durable over molded polymer grip handle

W152003**Transplanter Trowel**

Qty: 1

- Large inch and centimeter marks on the surface makes it easy to set seeds, bulbs, and small plants to exactly the right depth
- Heavy gauge cast aluminum tool head
- Large hang hole for easy storage or to pass a lanyard through
- Durable over molded polymer grip handle

W152004**Hand Cultivator**

Qty: 1

- Great for turning, loosening soil or weeding
- Heavy gauge cast aluminum tool head
- Large hang hole for easy storage or to pass a lanyard through
- Durable over molded polymer grip handle

W153004**Hand Fork**

Qty: 1

- Ideal for safely planting and transplanting, popular tool for bulb gardening and repotting
- Heavy gauge cast aluminum tool head
- Large hang hole for easy storage or to pass a lanyard through
- Durable over molded polymer grip handle

W153005**Hand Weeder**

Qty: 1

- Best tool for removing dandelions, thistles and other invasive weeds in the garden or yard with curved shaft garden weeder
- Heavy gauge cast aluminum tool head
- Large hang hole for easy storage or to pass a lanyard through
- Durable over molded polymer grip handle

W153006

Pruning Scissors (7.5 in.)

Qty: 1

- Works well for cutting live green plants, trees, hedges, shrubs and roses
- Heat-treated steel blades
- Coated with non-stick Teflon that resists sap and other sticky materials
- Comfortable nylon and TPR grips
- Locking mechanism to keep the blades closed and avoid injury

W151007

Floral Snip Scissors (7.5 in.)

Qty: 1

- Great for floral applications
- Heat-treated steel blades
- Coated with non-stick Teflon that resists sap and other sticky materials
- Comfortable nylon and TPR grips
- Locking mechanism to keep the blades closed and avoid injury

W151008

Anvil Pruner (7.5 in.)

Qty: 1

- Anvil blade design is ideal for pruning dry, dead growth, stripping small logs or cutting back branches that died over the winter
- Heat-treated steel blades
- Coated with non-stick Teflon that resists sap and other sticky materials
- Comfortable nylon and TPR grips
- Locking mechanism to keep the blades closed and avoid injury

W151009

Pruner Tool Set

Qty: 2 pieces.

- Ideal for pruning flowers and other garden plants
- Includes: One 15 in. lopper and one 8 in. pruner
- Heat-treated steel blades
- Easy grip handles allow for longer cutting times

W151010

Multi-function Hedge Shears

Qty: 1

- Ideal for trimming and shaping your shrubs and decorative topiary plants
- Heat-treated steel blades
- Non-slip soft polymer handle, comfortable grip

W151011

By-pass Lopper (27 in.)

Qty: 1

- By-pass blade designed for trimming live, green growth
- Easy cutting of larger green limbs with the long handles
- Heat-treated steel blades
- Coated with non-stick Teflon that resists sap and other sticky materials
- Non-slip soft polymer handle, comfortable grip

W151012

By-pass Lopper (Telescoping)

Qty: 1

- By-pass blade designed for trimming live, green growth
- Extends from 19-5/16 in. to 29-1/8 in. for hard-to-reach trimming
- Heat-treated steel blades
- Coated with non-stick Teflon that resists sap and other sticky materials
- Non-slip soft polymer handle, comfortable grip

W151013

Gardening Tool Set

Qty: 4 pieces.

- Great for turning, loosening soil or weeding
- Includes: 1 hand trowel, 1 transplanter trowel, 1 hand fork and 1 hand cultivator
- Heavy-duty stainless steel construction
- Wood contoured handle
- Each tool has a leather strap for hanging on most hooks or nails

W005010WE

Gardening Tool Set

Qty: 9 pieces.

- Great for turning or loosening of soil, weeding or pruning
- Includes: 1 hand trowel, 1 transplanter trowel, 1 hand fork, 1 hand cultivator, 1 transplanter, 1 sow dibber, 1 pruner, 1 set of gloves and a storage tote bag
- Each tool is constructed from heavy-duty stainless steel. The pruners is constructed from SK5 steel
- Wood contoured handle
- Leather strap on tools for hanging on most hooks or nails
- Storage tote bag has 8 canvas outer pouches and 3 mesh pouches. It has two handles that have a Velcro closure to help keep the bag closed, as well as three snaps.

W005009WE

Kneeling Foam Pad

Qty: 1

- This kneeling foam pad measures 15 in. wide, 10-1/4 in. deep, 1-3/16 in. thick
- Features a large cut-out for easy carrying
- For use with a variety of projects
- Constructed of durable foam that will cushion hard surfaces

W133357

Kneeling Foam Pad

Qty: 1

- This kneeling foam pad measures 17 in. wide, 11 in. deep, 1 in. thick
- Features a large cut-out for easy carrying
- For use with a variety of projects
- Constructed of durable foam that will cushion hard surfaces

W133358

Kneeling Foam Pad

Qty: 1

- This kneeling foam pad measures 17-1/2 in. wide, 11 in. deep, 1-1/2 in. thick
- Features a large cut-out for easy carrying
- For use with a variety of projects
- Constructed of durable foam that will cushion hard surfaces

W133356

20 Key Steel Cabinet with Keyed Lock and Handle

Qty: 1 key cabinet, 2 keys, 20 numbered labels, mounting hardware.

- Box size measurements: 8 in. x 6-5/16 in. x 3 in.
- Painted in a scratch-resistant powder coat finish
- Door hinge features a full-length piano hinge for increased strength
- Constructed of durable welded steel for maximum security

W082080

48 Key Steel Cabinet with Keyed Lock and Handle

Qty: 1 key cabinet, 2 keys, 48 numbered labels, mounting hardware.

- Box size measurements: 10 in. x 7 in. x 3 in.
- Painted in a scratch-resistant powder coat finish
- Door hinge features a full-length piano hinge for increased strength
- Constructed of durable welded steel for maximum security

W082081

20 Key Steel Cabinet with Combination Lock

Qty: 1 key cabinet, 20 numbered labels, mounting hardware.

- Box size measurements: 8 in. x 6-5/16 in. x 3 in.
- Painted in a scratch-resistant powder coat finish
- Door hinge features a full-length piano hinge for increased strength
- Constructed of durable welded steel for maximum security

W082082

48 Key Steel Cabinet with Combination Lock

Qty: 1 key cabinet, 48 numbered labels, mounting hardware.

- Box size measurements: 10 in. x 7 in. x 3 in.
- Painted in a scratch-resistant powder coat finish
- Door hinge features a full-length piano hinge for increased strength
- Constructed of durable welded steel for maximum security

W082083

Wood Door Stops

Wood Door Stop

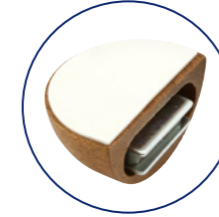

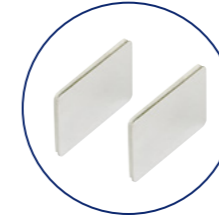

Qty: 2 door stops, fasteners.

- Solid wood construction: choose between oak, beech or sapelly
- Rubber face protects swinging doors from damaging adjacent walls and furnishings
- Adhesive or screw mounted
- Doweling wood screw and plastic anchor included

W133316 (Beech)

W133317 (Sapelly)

W133318 (Oak)

Magnetic Wood Door Stop

Qty: 2 door stops, 2 magnetic plates.

- Solid wood construction: choose between oak, beech or sapelly
- Protects swinging doors from damaging adjacent walls and furnishings
- Holds door open when included metal plate is installed on door
- Adhesive mounted

W133319 (Beech)

W133320 (Sapelly)

W133321 (Oak)

Electronic Caliper with Digital Display (6 in. / 150 mm)

Qty: 1

- Measuring range: 0-6 in. / 0-150 mm (SAE / metric)
- Inch / metric conversion button for accurate size readings, liner accuracy: 0.001 in. / 0.02 mm
- Manual power ON/OFF
- Zero setting at any position
- Stainless steel body
- LCD display for quick & easy measurement
- Depth rod for greater accuracy
- Thumb-wheel adjustments
- Inner/outer measuring
- Button cell batteries included

Duratech 30 oz Powder Coat Tumbler (Black)

Qty: 1

- Rust-proof double wall vacuum insulated bottle with inner copper liner
- Keeps hot liquids hot for up to 12 hours
- Keeps cold liquids cold for up to 24 hours
- Sweat-free exterior
- Smaller outside diameter fits into standard size cup holders
- BPA free with shatter-proof and dishwasher safe lid with wide sip and straw opening

DT65301

Duratech 30 oz Tumbler (Camo)

Qty: 1

- Rust-proof double wall vacuum insulated bottle with inner copper liner
- Keeps hot liquids hot for up to 12 hours
- Keeps cold liquids cold for up to 24 hours
- Sweat-free exterior
- Smaller outside diameter fits into standard size cup holders
- BPA free with shatter-proof and dishwasher safe lid with wide sip and straw opening

DT65303

Bi-Metal Folding Knife (Tanto blade shape)

Qty: 1

- 3.5 in. Bi-metal blade, black titanium finish
- Tanto blade shape features a high point aligned to the spine and a straight cutting edge
- Stainless steel handle with G10 insert
- Includes a pocket clip, a liner lock, a lanyard loop, and each offers one-handed deployment
- Folds closed for safe transport and storage

DT65761

Bi-Metal Folding Knife (Tanto blade shape)

Qty: 1

- 3.5 in. Bi-metal blade, satin polished finish
- Tanto blade shape features a high point aligned to the spine and a straight cutting edge
- Stainless steel handle with G10 insert
- Includes a pocket clip, a liner lock, a lanyard loop, and each offers one-handed deployment
- Folds closed for safe transport and storage

DT65762

Bi-Metal Folding Knife (Tactical serrated blade shape)

Qty: 1

- 3.5 in. Bi-metal blade, stone wash finish
- Tactical serrated blade shape combines the features and benefits of a drop point blade shape with added serrations in the lower third of the blade
- Aluminum handle
- Includes a pocket clip, a liner lock, a lanyard loop, and each offers one-handed deployment
- Folds closed for safe transport and storage

DT65763

Bi-Metal Folding Knife (Drop point blade shape)

Qty: 1

- 3.5 in. Bi-metal blade, black titanium finish
- Drop point blade shape spine slopes from the handle to the tip of the blade with a convex curve along the top, maintaining thickness along the entire length of the blade for strength
- G10 handle
- Includes a pocket clip, a liner lock, a lanyard loop, and each offers one-handed deployment
- Folds closed for safe transport and storage

DT65766

Bi-Metal Folding Knife (Drop point blade shape)

Qty: 1

- 3.5 in. Bi-metal blade, satin polished finish
- Drop point blade shape spine slopes from the handle to the tip of the blade with a convex curve along the top, maintaining thickness along the entire length of the blade for strength
- G10 handle
- Includes a pocket clip, a liner lock, a lanyard loop, and each offers one-handed deployment
- Folds closed for safe transport and storage

DT65792

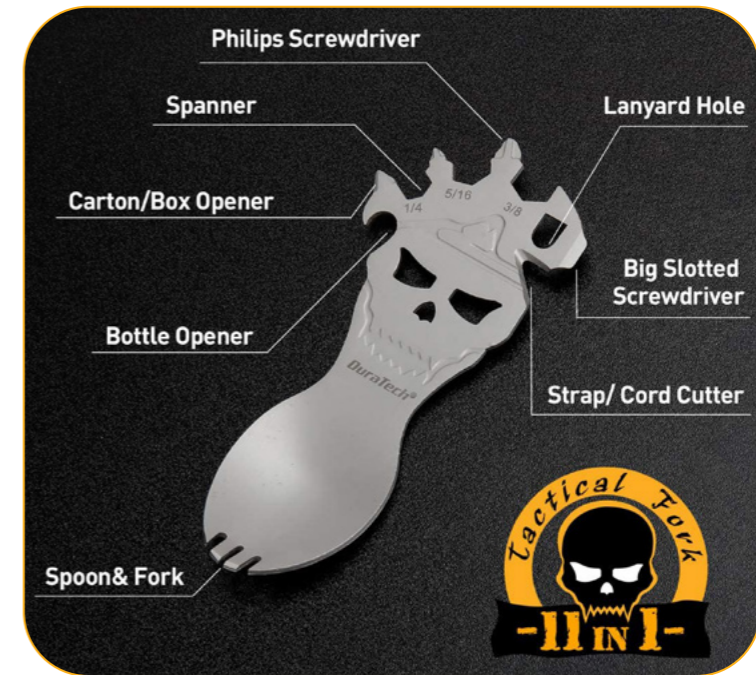

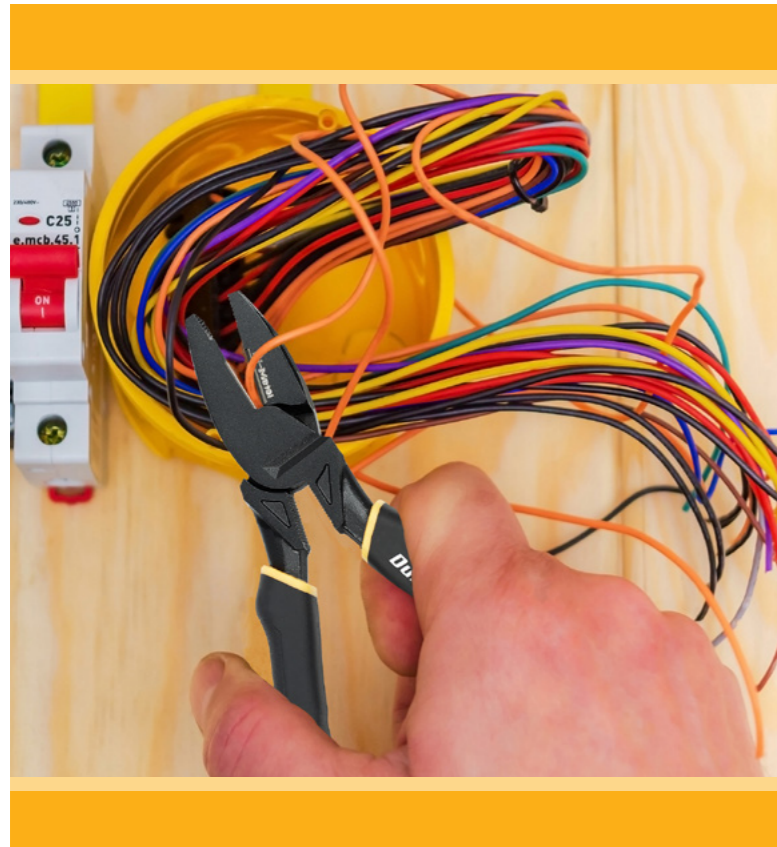

Multi-Function Survival Tool

Qty: 1

- Tool contains three Phillip's head screwdriver bits, three different hex wrench sizes, a big slotted screwdriver, a strap and cord cutter, a spoon and fork, a carton and box opener, and a bottle opener
- Stainless steel construction with a sand blasted finish

DT65767

Nose Pliers (8 in.)

Qty: 1

- Comfortable anti-slip handle
- Teflon coated anti-rust black finish
- Used for reaching into small or tight places

DT66002

Linesman Pliers (9 in.)

Qty: 1

- Comfortable anti-slip handle
- Teflon coated anti-rust black finish

T-Handle Screwdriver Kit

Qty: 36 pieces.

- The Double Drive T-handle gives you the perpendicular grip angle you need for increased torque and downward pressure to tighten and loosen even the toughest fasteners.
- 1 Double Drive T-handle ratcheting screwdriver
- 21 Different style and size bits
- 14 Socket drive bits
- Magnetic bit holder
- Slip-resistant, ergonomic handle with a contoured rubber grip
- Includes in-handle bit storage system

DD65906

Six in One

Hex Square Phillips Slotted Torx

Stubby Handle Screwdriver Kit

Qty: 37 pieces.

- The DoubleDrive Stubby is a shortened version of the full size model that is perfectly suited for tight situations with minimal clearance.
- 1 Double Drive stubby ratcheting screwdriver
- 36 Different style and size bits
- Magnetic bit holder
- Slip-resistant, ergonomic handle with a contoured rubber grip
- Includes in-handle bit storage system

DD65907

Phillips Slotted

Full Size & Precision Screwdriver Kit

Qty: 37 pieces.

- Both Double Drive ratcheting screwdrivers feature a new gearing design that drives the rotation of the driver as you turn the handle in both directions, instead of only the selected direction, giving you double the speed of a standard ratcheting screwdriver.
- 1 Double Drive full size ratcheting screwdriver
- 1 Double Drive precision ratcheting screwdriver
- 2-1/2 in. Extension
- 16 Different style and size bits
- Wristband with magnetic bit storage and flashlight
- Magnetic bit holder
- Slip-resistant, ergonomic handles with a contoured rubber grip
- Includes in-handle bit storage system

DD65910

Wrist Band

Torx

Wrist Band

Qty: 8 pieces.

- The Double Drive wristband holds up to seven hex bits on its outer band, and includes a magnetic tray for holding small fasteners. This wristband features a bright LED work light for illuminating small work areas. Together with this wristband are seven torque bits with 6-point star-shaped patterns.
- 1 Double Drive wrist band
- 7 Torx bits: T6, T8, T10, T15, T20, T25 and T30
- Wristband and bit holder pads attach with hook-and-loop fastener tape

Flashlights & Headlights39

Worklights 40

Miscellaneous Lights41

Index.....42

Compact Flashlight Set (Aluminum)

Qty: 2 flashlights, 6 batteries.

- 1 Silver and 1 Black flashlight
- 9 LED's, 50 lumens
- Push button on/off switch, located on the back of the flashlight
- Convenient wrist strap
- 6 AAA batteries included (each flashlight takes 3 AAA batteries)

E000001

Compact Flashlight Set (Aluminum)

Qty: 4 flashlights, 12 batteries.

- 1 Blue, 1 Red, 1 Silver and 1 Black flashlight
- 9 LED's, 30 lumens
- Push button on/off switch, located on the back of the flashlight
- Convenient wrist strap
- 12 AAA batteries included (each flashlight takes 3 AAA batteries)

E000014

Flashlight and Headlamp Set

Qty: 2 flashlights, 6 batteries.

- 1 Black plastic headlamp: 3 LED's, 30 lumens with 3 modes (high, low and flashing), adjustable strap
- 1 Aluminum flashlight: 3 LED's, 50 lumens, convenient wrist strap, push button on/off switch located on the back of the flashlight
- 6 AAA batteries included (each light takes 3 AAA batteries)

E007000

Flashlight and Headlamp Set

Qty: 2 flashlights, 6 batteries.

- 1 Black plastic headlamp: 3 LED's, 120 lumens with 4 modes (high, low, red LED and flashing), adjustable strap
- 1 Black aluminum flashlight: 3 LED's, 150 lumens, convenient wrist strap, push button on/off switch located on the back of the flashlight
- 6 AAA batteries included (each light takes 3 AAA batteries)

E007001

Flashlight and Headlamp Set

Qty: 6 flashlights, 16 batteries.

- 1 Orange and 1 black plastic headlamp: 3 LED's, 30 lumens with 3 modes (high, low, and flashing), adjustable strap
- 1 Orange and 1 black aluminum flashlight: 3 LED's, 20 lumens, push button on/off switch located on the back of the flashlight
- 1 Orange and 1 black aluminum penlight: Single LED, 20 lumens, convenient clip, push button on/off switch located on the back of the flashlight
- 16 AAA batteries included

E007003

Flashlight and Worklight Set

Qty: 1 worklight, 1 flashlight, 6 batteries.

- 1 Plastic worklight: 170 lumens, magnetic bottom with swivel base and hook for hanging
- 1 Black aluminum flashlight: 150 lumens, push button on/off switch located on the back of the flashlight
- 6 AAA batteries included (each light takes 3 AAA batteries)

E007002

LED Worklight

Qty: 1 worklight, 3 batteries.

- Plastic
- 150 Lumens
- 3 Different light settings (low mode, high mode and strobe mode)
- Magnetic base with built-in swivel hook
- 3 AA batteries included

E061007

LED Worklight

Qty: 1 worklight, 3 batteries.

- Plastic
- 200 Lumens
- Magnetic base with built-in swivel hook
- 3 AA batteries included

E061053

Camping Lantern

Qty: 1 lantern, 4 batteries.

- 300 Lumens
- 3 Different light settings (low mode, high mode and strobe mode)
- Built-in hook
- Family and pet-safe with no fire or burn hazard
- 4 AA batteries included

E041010

Push Button Light

Qty: 1 push light, 3 batteries.

- Plastic
- 3 LED'S, 10 Lumens
- Adhesive backed
- Push of a button operation
- 3 AAA batteries included

E101003

Book Light

Qty: 1 booklight, 2 batteries.

- Plastic
- Single LED, 8 Lumens
- Clamp-on base
- Flexible neck, adjusts to any angle
- Slide button activation
- 2 CR1220 batteries included

E101022

Color Changing LED Candle

Qty: 6 LED candles, 1 remote, 6 batteries.

- 2-1/2 in. Tall
- 60 Lumens
- Each candle offers 12 beautiful colors that can be individually controlled, and set to cycle on and off every 4 or 8 hours
- Multi-functional remote control has 18 keys to help set the color and timer
- Family and pet-safe with no fire or burn hazard
- Unscented
- Batteries included

	<u>Non-Laser Levels</u>	46
	<u>Moisture Meters</u>	48
	<u>Infrared Thermometers</u>	48
	<u>Index</u>	49

2 in 1 Laser Tape

Qty: 1 tape measure, 2 batteries.

- Laser projection range of 98 ft. (30 m) with an accuracy tolerance of $\pm 1/4$ in. (6 mm)
- Tape measure range of 16 ft. (5 m)
- Measures in both meters and feet
- LCD screen with backlit display
- 2 Buttons control: turn on/measurement, turn off
- Single and continuous distance measurements
- 2 AAA batteries and belt clip included

PLT30C

Pen Laser Distance Measuring Kit (32 ft.)

Qty: 1 laser measure, 2 batteries.

- Measuring range from 2 ft. (.6 m) to 32 ft. (10 m) with an accuracy tolerance of $\pm 1/4$ in. (6 mm)
- Measure in meters and feet
- Large LCD screens show the measurement, mode and battery level
- Simple one-button control
- 5-3/4 in. In length
- Powers off automatically after 2 minutes
- Key fob with led light, laser pointer and UV light source
- 2 AAA batteries included

PI01C

Laser Distance Measure (98 ft.)

Qty: 1 laser measure, 3 batteries.

- Measuring range from 3.5 ft. (.9 m) up to 98 ft. (30 m) with an accuracy tolerance of $\pm 1/8$ in. (3 mm)
- Measures in both meters and feet
- Inverted backlit LCD display improves readability
- 4.5 in. in length
- Powers off automatically after 30 seconds
- Laser measure functions includes: Area, volume, Pythagoras 2&3- points measure, single and continuous distance measurement, addition and subtraction
- Two optional references: two different reference points, making it easy to take measurements in different scenarios
- 3 AAA batteries included

P30

Laser Distance Measure (164 ft.)

Qty: 1 laser measure, 3 batteries.

- Measuring range from 3.5 ft. (.9 m) up to 164 ft. (50 m) with an accuracy tolerance of $\pm 1/8$ in. (3 mm)
- Measures in both meters and feet
- Inverted backlit LCD display improves readability
- 4.5 in. in length
- Powers off automatically after 2 minutes
- Laser measure functions includes: Area, volume, Pythagoras 2&3- points measure, single and continuous distance measurement, addition and subtraction
- Two optional references: two different reference points, making it easy to take measurements in different scenarios
- 3 AAA batteries included

P50

Line Laser Level

Qty: 1 laser level, 3 batteries.

- Uses vials for easy horizontal and vertical alignment
- Allows for measurement of sloped planes
- Can be used as a laser spirit level
- Compact plastic mini cube housing
- 3 LR44, 1.5V batteries included

PL1

Torpedo Laser Alignment

Qty: 1 laser level, 3 batteries.

- Aluminum body
- 98 Ft. (30 m) max operating range for point leveling and 32 ft. (10 m) range for line leveling
- Accuracy tolerance of $\pm 1/32$ in. (.8 mm) / 3 ft. (.9 m)
- Measures in both meters and feet
- Laser and bubble levels allow for horizontal, vertical and 45° applications
- Adjustable foot aids in precise leveling
- Magnetic base with "V" groove
- Can be wall or tripod mounted
- 3 AAA batteries included

PIP30

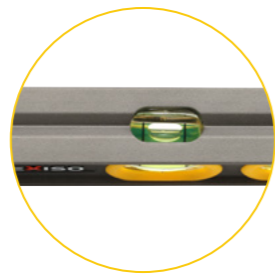

Laser Measure and Torpedo Level

Qty: 1

- Aluminum body
- Laser projection range of 115 ft. (35 m)
- Vial accuracy: 0.029 degree
- Laser accuracy: ± 6 mm
- Measures in both meters and feet
- Easily switch laser measure reference from back to front
- Bubble levels allow for horizontal and vertical leveling
- 8 in. (20 cm) Compact design for easy to carry in pocket
- Magnetic base

PLL35

Cross Line Laser Level Set (360° rotation)

Qty: 1 laser level, 1 tripod.

- Laser projection range of 50 ft. (15 m)
- Leveling range: ± 4 degrees with an accuracy tolerance of $\pm 5/32$ in. (4 mm) at 32 ft. (10 m)
- Measures in both meters and feet
- The cross line leveler can be wall or tripod mounted
- Manual mode locks the line and sets the level at any desired angle
- Anodized aluminum tripod with crank for adjusting height
- 20 in. Closed height and 60 in. max extended height

PLC360T

Laser Level and Square

Qty: 1

- Laser projection range of 65 ft. (20 m)
- Vial accuracy: 0.057 degree
- Laser accuracy: $\pm 3/8$ in. (10 mm) at 32 ft. (10 m)
- Measures in both meters and feet
- Bubble level allows for 90, 45 and 180 degree leveling
- Projects 2 beams for enhanced accuracy and versatility
- Aluminum diecast alignment guide
- Simple one button operation

PTL10G

Scaffold Level with Magnet (10 in.)

Qty: 1

- Aluminum body
- Accuracy tolerance of $\pm 1/64$ in. / 3 ft.
- 2 Easy-view vials, 90° & 180°
- Each scaffold bubble level has a 30° and 45° end for use in getting your angles, and each side is marked
- Magnetic base

PPL250M

Scaffold Level with Magnet (10 in.)

Qty: 1

- Aluminum body
- Accuracy tolerance of $\pm 1/64$ in. / 3 ft.
- 3 Easy-view vials, 45°, 90° & 180°
- Magnetic base

PSL250M

Torpedo Level (10 in.)

Qty: 1

- Aluminum body with rubber end caps
- Accuracy tolerance of $\pm 1/64$ in. / 3 ft.
- 3 Easy-view vials, 45°, 90° & 180°
- Magnetic base

PTL250M

Digital Level Angle Slope (11.5 in.)

Qty: 1

- Aluminum body with rubber end caps
- Quick & accurate measurement
- Measuring range: 0 to 360°
- Accuracy electronic module: 45°, 90° & 180°: $\pm 0.1^\circ$, In intermediate areas: $\pm 0.2^\circ$
- Accuracy spirit level: In normal position: $1/64$ in. / 3 ft., In reverse position: $1/32$ in. / 3 ft.
- Hold/lock measurement feature
- Large display with backlight
- Display flips when positioned upside down to read correctly

PTD250V

Digital Level Angle Slope (23.5 in.)

Qty: 1

- Aluminum body with rubber end caps
- Quick & accurate measurement
- Measuring range: 0 to 360°
- Accuracy electronic module: 45°, 90° & 180°: $\pm 0.1^\circ$, In intermediate areas: $\pm 0.2^\circ$
- Accuracy spirit level: In normal position: $1/64$ in. / 3 ft., In reverse position: $1/32$ in. / 3 ft.
- Hold/lock measurement feature
- Large display with backlight
- Display flips when positioned upside down to read correctly

PTD600

4 in 1 Digital Angle Finder

Qty: 1 level, 1 storage bag, 2 batteries.

- Aluminum body
- Vial accuracy: 0.029 degree
- 2 Easy-view vials, 90° & 180°
- Includes a digital angle finder, a miter calculator, a protractor and level
- Angle measurement from 0° to 220°
- The extendable leg can be adjusted up or down for those hard to reach locations
- Hold/lock measurement feature with roller dial
- Includes 2 AA batteries & a soft sided zippered bag for transport/storage

PMF220

Moisture Meter

Qty: 1

- Single button use
- LCD screen
- Measures in Fahrenheit and Celsius
- Turns off automatically after 15 seconds of non-use
- Check humidity, moisture content and ambient temperature in various materials
- Moisture measurement range: Wood material – 6 to 42%, Building material – 0.2 to 2%
- Temperature measurement range: 32° to 99°F (0° to 40°C)
- Requires four LR44 button cell batteries

PMX-42A

Moisture Meter

Qty: 1

- 4 Button design
- LCD screen
- Measures in Fahrenheit and Celsius
- Data hold: press the HOLD key to lock the measured values
- Turns off automatically after 15 seconds of non-use
- Check humidity, moisture content and ambient temperature in various materials
- Moisture measurement range: Wood material – 6 to 42%, Building material – 0.2 to 2%
- Temperature measurement range: 32° to 104° F (0° to 40°C)
- Requires one 9V battery

PMX-42B

Moisture Meter

Qty: 1

- Single button design
- LCD screen
- Measures in Fahrenheit and Celsius
- Turns off automatically after 15 seconds of non-use
- Check humidity, moisture content and ambient temperature in various materials
- Moisture measurement range: Wood material – 8 to 60%, Building material – 0.3 to 2%
- Temperature measurement range: 32° to 122° F (0° to 50°C)
- Requires one 9V battery

PMX-60A

Infrared Thermometer

Qty: 1

- Aim and push the button, read current surface temperature quickly
- LCD screen
- Measures in Fahrenheit and Celsius
- Safely measure surface temperature of hot, hazardous or hard-to-reach objects without contact
- Temperature data hold button
- Temperature range: -58°F to 1022°F (-50°C - 550°C)
- Accuracy: -58°F to 212°F (-50°C~100°C) ±3.6°F, 212°F to 1022°F (100°C~550°C) ±2%
- Turns off automatically after 20 seconds of non-use
